

# Your "How-To-Guide" For Custom Word Lists®

Click the apple to **share this** with friends or colleagues.

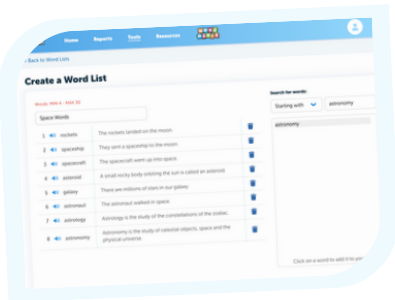

## Make spelling words fun with your very own custom spelling tool.

With Custom Word Lists, you can create as many word lists as you need. Just add words on any topic or category. The possibilities are endless.

### How you can use Custom Word Lists:

**1 Create Word Lists**

Name your list and then add words to create your first list.

**2 Assign Word Lists**

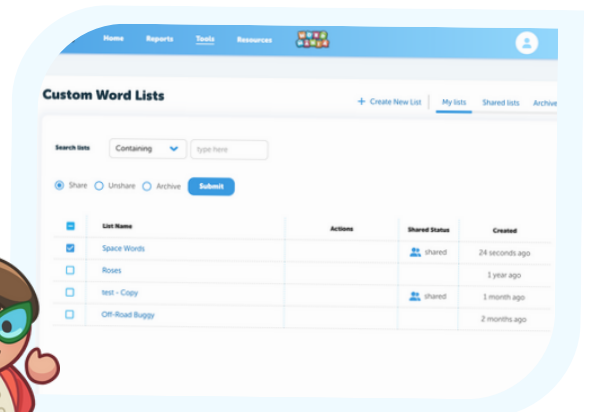

Assign the list to individuals, groups or a whole class.

**3 Share Your Lists**

**Minibeasts** beetle, ladybugs, ants, grasshopper, worms, dragonfly, spider, caterpillar

**Shakespeare** solicitous, induce, disdain, pedantry, shrew, esteem, loathsome

**Space** universe, gravity, asteroid, galaxy, planet, astronaut, sphere, spacetime,

Share your lists with fellow teachers in your school.
