

Dear Parents

Welcome to LiteracyPlanet, a learning resource your teacher has carefully selected to help your child develop their literacy skills.

What is LiteracyPlanet?

LiteracyPlanet is designed to build literacy ability in a fun and meaningful way. The activities build upon what your child is learning in the classroom, helping them consolidate what they know and can do, extend upon what they have learned, and fill any gaps in their learning.

In a nutshell, LiteracyPlanet improves literacy skills with ...

Your Child's Journey

Your teacher may assign activities in LiteracyPlanet to help your child continue to make progress on what is being taught in the classroom. There are also program-assigned activities that can be found on the Journey screen of your child's dashboard.

Student Experience

Explore the wonderful world of LiteracyPlanet by clicking on the icons in your child's dashboard.*

*Your child's teacher may be subscribed to the free Starter membership. If this is the case, you will see a "crown" icon signifying features that require a teacher Pro membership for access.
