Your "How-To-Guide" For

Assign A Task®

Quickly and easily target student's learning needs.

Assign a Task enables you to develop the literacy skills of each student by building upon what they know. It is your perfect differentiation tool!

How you can use Assign a Task:

1 Select a Mission

Choose a strand of literacy and year level to find and select a task.
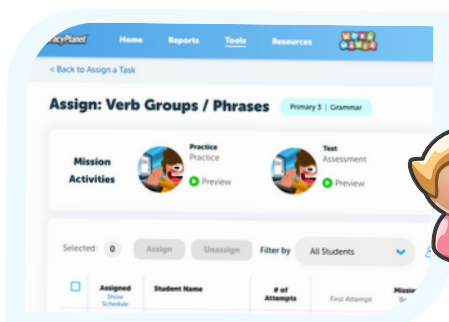

P ← Phonics — Sight Words — Spelling — Grammar — Comprehension → 10

2 Assign the Mission

Assign the task to one or more students in your group or class.

Assign: Verb Groups / Phrases Primary 3 | Grammar

3 View Student Results

See student results after they've completed the concept to identify their learning needs.
